

2020 Cultural Stage Performance Application

The City of Sugar Land would like to invite you to participate in the International Art & Kite Festival at The Crown Festival Park from 10 a.m. to 3 p.m. on Saturday, March 28. This FREE event is a great way to highlight your business or organization by performing on our Cultural Performance Stage.

To promote cultural awareness, we are encouraging performances that engage the audience in demonstrations featuring your organization's style of dance or vocal performance. It is our hope that interactive activities will expand the cultural experience of festival attendees. Performance spaces are limited.

Performance guidelines:

- All performance times are 20 minutes which includes: (1) stage entry and stage exit (2) the setup and breakdown of any props related to performances.
- Be as creative as you wish for the demonstration sessions (i.e. feature dancers in the audience or invite 2-3 participants on stage).
- All performers must check in backstage 60 minutes before scheduled performance time.
- Music CDs must include separate tracks for both performances and demonstrations.
- A representative from your organization/business should plan to attend a pre-production/rehearsal meeting, prior to the event. The meeting date and time will be announced.

Deadline to submit completed form is on or before Monday, February 17 by 5 p.m.
